# WHO ARE WE ?

The Burlington State University was founded based on United Nations Article 26 of the right to education (UNarticle 26). Everyone has the right to an education. According to this article, education should be equally available to all people and should foster understanding, tolerance, and camaraderie among all nations, races, and religious groups.

According to Burlington State University, fulfilling the requirements of Article 26 can only be done by offering an upgraded, blended education that is focused on the global community. Graduates can obtain any of the qualifications from the universities after completing all of their courses through the University of Burlington Consortium, which is made up of the Burlington State University

# FREE ONLINE EDUCATION PLATFORM

Technology has become an integral part of our education system with the introduction of new-age digital platforms enhancing the academic landscape in India. Students at every level of education, from pre-K to graduate and professional levels, use to enrich their learning abilities. E-learning tools provide a plethora of educational resources for both educators and students which they couldn't have access to, no matter what their location or status is. A student can learn from the top professor a continent away and that too in their own preferred time.

**Easy Access:** Online learning helps to eliminate both social and physical barriers, meaning if a student misses his class, he can access the lectures online if made available.

**Variety of Programs and courses:** From traditional university courses to completely online career colleges, higher education today offers a variety of options for students. This means that no matter what students study, from nursing to neuroscience, they can find the courses or programs they need online. Students can also earn every academic degree online, from a career certificate to a doctorate.

**Comfort and flexibility:** Online courses give students/learners the freedom to choose time of their own. Students can study and work at their convenience.

**Career advancement:** Students can take online courses and even complete entire degrees while working, while in-between jobs, or while taking time to raise a family.

**Teacher Development:** E-learning is not only beneficial for students but also for the teachers as good teachers love to teach, but the best educators enjoy the opportunity to learn on a consistent basis.

Burlington State University makes Online education accessible to everyone. Burlington State University Partnership with Online education Platforms like Alison, FreeCodeCamp, Mosh Academy to give high-rated online courses for completely free. Burlington State University-owned an online education platform [burlingtonstateuniversity.us](https://burlingtonstateuniversity.us) to give all these courses for Indian students as well as students all around the globe. The Faculties of these courses are rated very high professionals and Professors of various Universities around the world. Anyone can learn through this platform in an easy way. Currently in this platform had more than 20 Categories, 200 courses available.

# VISION & MISSION

Burlington State University is committed to achieving excellence in education for the professions and to maintaining international leadership in flexible education, open education, executive education and distance education.

The University stresses promoting lifelong quality learning. The mission of Burlington State University to contribute to society through the pursuit of Higher and professional education, learning, and research at the highest international levels of excellence.

## Core values

**The University's core values are as follows:**

- » Freedom of thought and expression
- » Freedom from discrimination
- » Freedom of education at the highest level of excellence

# HONORARY DOCTORATE

## HONORARY DOCTORATE - PRINCIPLES & CRITERIA FOR CANDIDATE SELECTION

### GENERAL PRINCIPLES :

» The awarding of an honorary degree is an important symbol in the life of the University. An honorary degree recognizes uncommonly meritorious accomplishments and activity, both in the academic arena and in broader areas of benefit to society, that reflect the values esteemed by a great university. Honorary degrees are conferred on those whose achievements are of such excellence that they provide, through example, inspiration and leadership to the graduates of the University.

» In choosing recipients for this honor the University is also guided by the principle that in honoring individuals for their contributions, the University is also honoring itself by its association with people of such special merit.

### CRITERIA FOR SELECTION :

The following specific criteria are used by the Honorary Degrees Committee in its consideration of candidates. The Committee's goal each year is to present a slate of recipients across a range of academic disciplines and non-academic areas of achievement. Honorary degree recipients, when possible, will be chosen to match the purposes of the Convocation at which the degree is to be granted. Those in category (a) will predominate if possible those in categories (b) and (c) will normally number less than half of the recipients in category (a) unless the Convocation is being called for a special reason:

a. The University normally will give preference to honoring individuals who have made outstanding contributions in the sciences, humanities, and professions in which the University itself is active.

b. Recognition will be given to those whose exceptional accomplishments have contributed to enhancing culture and society in Canada or elsewhere in the world.

c. The University on occasion will honor those who have made extraordinary contributions to the development of the University or the region or have achieved international standards of excellence.

### PROCEDURES:

Nominations: At least once annually, a call for nominations will be broadcast widely by the University Secretariat to the university community, using the traditional outlets and any additional avenues suggested by members of the Honorary Degrees Committee.

# HONORARY DOCTORATE

## HONORARY DEGREES COMMITTEE:

The Honorary Degrees Committee is appointed annually by Senate and consists of the Registrar and such other members of Senate as determined from time to time by the Senate. The duty of the committee is to select persons to be recommended to Senate for the conferment of Honorary Degrees.

## RECOMMENDATIONS TO SENATE:

- » The Honorary Degrees Committee shall submit a Motion for the award of Honorary Degrees in the form of a written report which shall be made available to members of Senate at least two days before the Ordinary Meeting at which it is to be presented.
- » The names of those recommended for Honorary Degrees are confidential until approved by Senate and offers have been accepted by candidates.

**DOCUMENT CHECKLIST ( Common for Honorary Doctorate & Honorary Awards )** Nominations submitted without the following documents will be returned to the Nominator:

- » A letter from the Nominator describing reasons for nominating the Nominee, including contributions or special accomplishments of the Nominee, and any other information which the Nominator feels may be pertinent to the nomination.
- » Letters of Support (no more than three).
- » Nominee's abridged curriculum vitae containing details such as education, a field of endeavor a short description of publications (if any), special awards, and distinguished service.
- » A short biographical summary (maximum 200 words), which will form the basis of the citation at convocation should the Nominee be chosen as an honorary degree recipient.

## AWARDING:

Honorary degree recipients are invited to give the Convocation address but may decline the invitation to do so. Honorary degrees are not awarded in absentia. Honorary degrees are not awarded posthumously. An exception may be made in the case of the honor having been accepted and arrangements made for its awarding prior to the death of the nominee.

The citation for the honorary degree should be no longer than three minutes in length. In accordance with Council Bylaws, "each recipient of an honorary degree shall be presented for admission [to the degree] by the Director or by a person designated for that purpose by the Director"

## REVOKING ( Common for Honorary Doctorate & Award):

The Senate may revoke an honorary degree and all the rights and privileges connected therewith." The Senate would consider revoking the degree on the recommendation of the Honorary Degrees Committee, by means of a vote.

# HONORARY DOCTORATE

## DEGREE CERTIFICATES AND LETTERS POLICY :

Once your Doctorate degree has been conferred at a Doctorate ceremony either in person or in absentia, you will automatically receive a Doctorate degree certificate. This will be either presented to you by your Co-Ordinator on the day of the Convocation ceremony or posted to you after the event.

For all ceremonies, if you have not received your degree certificate within three months of the date of your ceremony and you fail to notify us of this within that period, you will be charged for a replacement certificate.

Students who have completed an award-bearing non-matriculated course (certificate or diploma) with the Department for Continuing Education will receive an award certificate from the Department.

Electronic copies, PDFs or scanned versions of certificates cannot be issued at any time.

## REPLACEMENT CERTIFICATES :

If your Doctorate degree certificate is lost, stolen or damaged, you can order a replacement certificate at a cost. Please note that students are only permitted to have one copy of their certificate in their possession at any one time, so multiple copies cannot be requested.

## ADMISSION PROCEDURE :

Online Admission system is available or the candidate can obtain an admission application form from Burlington State University website [burlingtonstateuniversity.us](http://burlingtonstateuniversity.us) and apply for admission (subject to eligibility criteria) by submitting a filled admission form with required documents to the university mail on any day, any time. Upon receipt of the filled admission application form at the Registrar's office, it is processed after necessary verification subject to admission eligibility criteria and the candidate is intimated firstly through at email [info@burlingtonstateuniversity.us](mailto:info@burlingtonstateuniversity.us) (if provided in the admission application form).

## Accreditation Certificate

for the

Bachelor's degree programme  
„Computer Engineering“  
at the

Burlington State University

The award of the subject-based ASIIN seal is valid from 07 December 2012 and limited until 30 September 2018.

The degree programme includes the following options: full time path.

The degree programme is aligned to Level 6 of the European Qualifications Framework for Life-long Learning (EQF LLL).

21 July 2014

A handwritten signature in black ink, appearing to read 'M. Molzahn'.

Dr.-Ing. Martin Molzahn  
Chairman of the Accreditation Commission  
for Degree Programmes

A handwritten signature in black ink, appearing to read 'J. Grotemeyer'.

Prof. Dr. Jürgen Grotemeyer  
Chairman of the Accreditation Commission  
for Degree Programmes

A handwritten signature in black ink, appearing to read 'I. Wasser'.

Dr. Iring Wasser  
Managing Director

The ASIIN seal is awarded to a degree programme which fulfills the requirements of academia and professional life in the respective disciplines on a high level. At the same time it confirms that the conditions for good teaching and successful learning are provided. The award of the label is based on recognized learning-outcome oriented subject-specific standards aligned with the European Qualifications Framework and the „European Standards and Guidelines“.

## STATE OF NEW HAMPSHIRE

**ECICEL** European Centre of Independent Certification in E-Learning

**Letter of Confirmation and Validation**

This letter confirms that **BURLINGTON STATE UNIVERSITY** having satisfied the assessors and regulators and complied with the conditions of validation established by the ECICEL (European Centre of Independent Certification in E-Learning), has been duly admitted to Approved Member of the Association from January 12, 2022 to January 12, 2023 with the membership number EU 1A0760C.

ECICEL Membership is a system of review which periodically evaluates the extent to which an institution achieves its own objectives and meets the standards determined by ECICEL. Evaluation addresses operational and curricular issues fundamental to the delivery of quality education and training, via the medium of online, distance or open learning. Members are assessed to ensure that learners receive a product which is consistent with the values and policies set by the ECICEL. Providers are required to undergo periodic re-assessment by ECICEL assessors and evaluators, and agree to adhere to our Code of Practice.

For further information or clarification, please do not hesitate to contact us.

Name of University: <b>Burlington State University</b>	Burlington State University
Document No: <b>CUB497-05-0421</b>	Burlington State University Gaithersburg, USA

California University FCE.edu Evaluators are Expert Curriculum Evaluators.

California University FCE is now recognized by the United Nations NGO Branch, a CHEA member under UNESCO. CHEA International Quality Group ID # 459C246 is granted to CUFCE as an Evaluator.

EDUCAUSE I.D. # 198820 is granted to California University FCE for being a State of California Government-Approved-Section 23801(d), U.S. Federal Government-Approved - Section 509(a)(1), Tax-Exempt Higher Education Organization in the United States of America. Accredited organizations such as the American Council on Education (ACE) [www.acenet.edu](http://www.acenet.edu) are granted the honor and privilege to have an EDUCAUSE I.D. number and tax exemption. California University FCE is a member of NACE- National Association of Colleges and Employers. U.S. Department of Education NCES School ID # A1300171 is granted to CUFCE.

There are only three higher education organizations and two credential evaluation service in the U.S.A. that were ever given the State Government Approval Section 23801(d) and the U.S. Federal Government Approval Section 509(a)(1) tax exemption. All applicants have to pass through a very rigid screening for two years before one can get government tax exemption approval. These are the hallmarks of excellence in this kind of business. Most of the members of NACES - National Association of Credential Evaluation Services are merely given Section 501 (c) Approval. This approval is also very difficult to obtain. CORDIS- European Commission, the Executive Branch of the government of the European Union accepted CUFCE as one of its partners in higher education organizations. Please see attached print outs.

California University FCE is commissioned to do curricula and other program evaluation of some U.S. institutions that are now accredited such as California University of Management and Sciences, West Coast University, and the American Career College. CUFCE has also evaluated the curricula of some members of the Global University Network for Innovation (GUNI) of UNESCO and the United Nations University. Some of these universities are listed in our web site under Affiliated Institutions.

California University FCE is a conglomerate of Amorsolo Construction & Real Estate Development Corporation, Canon Drive, Beverly Hills 90210; Beverly Hills Resources Corporation, Canon Drive, Beverly Hills 90210; Amorsolo Mansions USA, Inc, Beverly Hills 90210; Amorsolo Foundation, Incorporated; Beverly Hills RC School and Infant Care Centers located at Premier Hollywood, Beverly Hills and Irvine real estate properties.

California University FCE evaluated the curriculum and the academic credentials of the deans, professors and staff of California University of Management and Sciences in October 2005 when it applied for national accreditation by the Accrediting Council for Independent Colleges and Schools. California University of Management and Sciences is now accredited since April 2006.

California University FCE is accredited as an evaluation and assessment institution of higher education by AAHEA - American Association for Higher Education & Accreditation, Inc.

Some U.S. regionally accredited universities utilize CUFCE services for the credit evaluation of their graduating students to determine whether each candidate for graduation has complied with the curriculum requirements of the different Areas of Study. Other national credential evaluators do not perform this type of evaluation.

The United States Office of Personnel Management (USOPM) accepts California University FCE evaluation reports for employment by the Federal government. The State of Washington CPA Board of Examiners also accepts CUFCE's evaluation reports. Professional Engineers, Medical, Dental and Nursing Boards of most states accept our evaluation reports.

California University FCE is proud to be a member of the very prestigious higher education organization - the AIEA - Association of International Education Administrators. AIEA is an international professional membership association for leaders in the field of international higher education. Among the notable credential evaluation services that are also members are WFS - World Education Services, Inc., FCE- Educational Credential Evaluators, Inc. and the ACET - Academic Credential Evaluation Institute, Inc. The American Association of State Colleges and Universities is also a member.

California University FCE is a member of five higher education organizations that are recognized by the United States Department of Education and the Council for Higher Education Accreditation - CHEA.

**Additional Recognition of California University FCE**

**Recognition by Mexico Secretariat of Public Education (SEP). California University FCE equivalency degrees are recognized as equivalent to the same degrees awarded by any accredited colleges and universities in Mexico -**  
[https://www.chea.org/search-international-directories-resultstable?search\\_api\\_fulltext=California+University+FCE&country\\_filter=MX&field\\_category=All](https://www.chea.org/search-international-directories-resultstable?search_api_fulltext=California+University+FCE&country_filter=MX&field_category=All)

The Parliament - National Assembly of the Kingdom of Thailand has recognized California University FCE equivalency degrees as equivalent to the same degrees awarded by accredited, public-state universities in Thailand.

Thai Minister Thamanat Prompow's Doctor of Philosophy (PhD) in Public Administration equivalency degree awarded on May 7, 2014 by California University FCE was confirmed by the Parliament after thorough public hearings and investigations.

Zambia Minister Chishimba Kambwili's Doctor of Philosophy (PhD) in Public Administration equivalency degree is valid. California Bureau for Private Postsecondary Education Citation No. 1617023 that was used to defame the Minister has been resolved. California University FCE is NOT a fake university.

A dozen of other Foreign Ministers were awarded Doctor of Philosophy (PhD) in Public Administration equivalency degrees by California University FCE. These were authenticated by the U.S. Secretary of State and attested by their respective foreign Embassies in Washington, DC. Their equivalency degrees were finally recognized by their respective Ministry of Higher Education.

Some Charge d'Affairs and Career Ministers of the United Nations in New York were also recipients of the equivalency degree of Doctor of Philosophy (PhD), major in Public Administration in the past years.

# MESSAGE FROM CHANCELLOR

Welcome to Burlington State University! It is my great privilege to serve as Chancellor of this esteemed institution, where our commitment to academic excellence and innovative research shapes the leaders of tomorrow. At BSU, we foster an environment of inclusivity, critical thinking, and global perspectives. Every student here is encouraged to pursue their passions, explore new horizons, and make a lasting impact on the world. Together, we continue to build a brighter future.

Warm regards,

**Dr. Mirsad Muratovic** Chancellor,

**Burlington State University** Sincerely, Chancellor

# MESSAGE FROM THE VC

As the Burlington State University's Vice-Chancellor, it gives me great pleasure to live nearby the university community. I would like to use this opportunity to welcome students who are entering the institution for undergraduate and graduate programmes from all around the world. In their pursuit of education, the majority of these students have relocated far from their homes and countries. One must feel as though they are simply relocating from one family fold to another. To advance in life as professionals within the study programmes they have chosen, they will seek advice, support, and assistance from their professors, seniors, and classmates, who collectively make up an extended family.

The university's faculty members are experts in various fields of study. The institution hosts a disproportionately large number of conferences, seminars, and workshops on a national and international level. These occasions expose students to a variety of situations and help them develop leadership and teamwork traits that will aid them later in life.

Warm regards,  
**Natasha Saman,**  
**Burlington State University Sincerely, Chancellor**

# MESSAGE FROM THE PRO VC

As a Pro Vice Chancellor, I am honored to be part of a vibrant academic community that fosters innovation, curiosity, and growth. At Burlington State, we are committed to creating a supportive environment where students are empowered to explore their passions, engage in critical thinking, and achieve their full potential. Our university prides itself on excellence in education, research, and community involvement. Whether you are a prospective student, current student, or alumnus, we are here to support your journey to success.

Warm regards,

**Prof. Katniss G**

**Pro Vice Chancellor, Burlington State University**
